

Congratulations to CVPH!!!!
Providers of Clinton County's ONLY ADA Certified Diabetes Programs

The North Country Diabetes Project is proud to announce the American Diabetes Association recognition of CVPH's formal diabetes education program. CVPH began providing Diabetes Self Management Training in the fall of 2006. Prior to applying for ADA recognition, programs must be running for six months and meet strict requirements set by the ADA. CVPH's Diabetes Self Management Training is the only American Diabetes Association certified diabetes program in Clinton County.
