MAPPING Our Way to Health in Clinton, Essex & Franklin Counties

Wednesday, March 25, 2009

8:00am—10:00 am

Burgundy Room

770 Route 3

Plattsburgh, NY

Join us to hear first hand how we can take simple action steps to affect disease rates and trends in our community.

This free event is intended to provide an overview and direction of chronic disease and other community based programs on both the state and local level.

Learn the importance of developing:

- workplace and community-wide policies
- partnerships in the community focused on changes in the “built environment”
- health screening opportunities for everyone.

Target Audience: Community Stakeholders

Keynote Speaker:

Ursula Bauer, Ph.D., MPH
Director, Division of Chronic Disease Prevention and Adult Health

Other state and local Speakers — to be announced.

Due to limited space (100 seats)

please RSVP by

March 13.
