You must pass the written and performance tests in order to be placed on the eligible list. Your rank on the eligible list will be determined by your score on the written test only.

NOTE: Clerical office experience which included typing may be substituted on a year-for-year basis for high school study.

DISTINGUISHING FEATURES OF THE CLASS: The work is primarily routine clerical work involving full-time or substantial part-time typing. Work is performed under supervision on standard assignments and in accordance with defined procedures. Supervision is available for consultation on unusual problems and for instructions on new or difficult assignments. Excepting the ability to type, this class is equivalent to the class of Clerk. Alertness and willingness to learn and prepare for assignments of progressively increasing difficulty are essential attributes for an incumbent in this title. The incumbent does related work as required.

USE OF CALCULATORS: Calculators are **RECOMMENDED** for this examination. Candidates have the option of bringing a quiet hand-held, solar or battery powered calculator to this examination unless specifically notified that their use is prohibited. You may not bring books, other reference materials, scrap paper or any other materials that are not required.

SUBJECTS OF EXAMINATION: The examination will consist of a weighted written test and qualifying (pass/fail) typing performance test(s).

WRITTEN TEST: The written test is designed to test for knowledge, skills and/or abilities in such areas as:

1. Spelling

These questions test your ability to spell words that are used in written business communications.

2. Alphabetizing

These questions test your ability to file material in alphabetical order.

3. Record keeping

These questions evaluate your ability to perform common record keeping tasks. The test consists of two or more "sets" of questions; each set concerning a different problem. Typical record keeping problems might involve the organization or collation of data from several sources; scheduling; maintaining a record system using running balances; or completion of a table summarizing data using totals, subtotals, averages and percents.

4. Clerical operations with letters and numbers

These questions test your skills and abilities in clerical operations involving, comparing, checking and counting. The questions require you to follow the specific directions given for each question which may involve alphabetizing, comparing, checking and counting given groups of letters and/or numbers.

TEST GUIDE: The New York State Department of Civil Service has published a test guide intended for candidate preparation use for this particular examination. This test guide contains important test-related information as well as sample test questions similar to the questions that will be used in this written test.

The New York State Department of Civil Service is making a copy of this test guide and other related information available on its web site at www.cs.state.ny.us/testing/localtestguides.cfm. In addition, a copy of this test guide can be obtained at our local civil service office. Please stop in the office at 137 Margaret Street, Plattsburgh, NY 12901 or call this office at 565-4676 for more information on how to obtain a copy of this guide.

QUALIFYING PERFORMANCE TEST: Candidates who receive a passing score on the written test must also qualify on the typing performance test administered at a later date from the written test. You must pass both the written test and the typing performance test to be considered for appointment. Since the performance test is qualifying (pass/fail), your final score for the exam will be the score that you achieve on the written test.

Candidates may be invited to the performance test in the order of the scores they achieve on the written test. Clinton County reserves the right to give the performance test to only as many candidates as are needed to fill available vacancies.

TYPING: The typing performance test is a computerized test of keying speed and accuracy. Candidates take the test on a computer (PC). The computer program requires no prior knowledge of software. The program leads you through a set of instructions including a three-minute practice session, followed by a five-minute test.

In order to pass the test, candidates must enter the text at a rate of at least 35 words per minute, with at least 96% accuracy. For example, if a candidate enters the text at 35 words per minute, the maximum allowable number of errors is 8. (Note: A word is defined as five characters. The rating formula divides the total number of characters entered by five to determine the number of words entered.)

WAIVER POLICY: The performance test may be waived if, when applying for the examination, you provide proof of either:

1. Qualifying on a performance test in typing at the required rate of speed within the last four years. Acceptable proof consists of a photocopy of an official transcript or other official certification (including letters on official letterhead) indicating the speed of the typing test from a recognized high school, CVES, college, business or military school or a New York State approved or recognized training program for typists, secretaries, word processors or similar office clerical positions or photocopies of official notice of the results of a typing test administered by the New York State Department of Civil Service or the New York State Department of Labor Job Service or a local civil service agency.

OR

2. You are currently employed in a Clinton County department, town, village, school district, special district or the city of Plattsburgh which falls under the jurisdiction of Clinton County Department of Personnel and presently hold a permanent or contingent-permanent position in a title that required a typing performance test at or above the rate of speed required for this examination. Indicate that you meet this criteria in the "Remarks Section" on the last page of your application.

Candidates who do not submit an acceptable waiver will be contacted to schedule a performance test after passing the written exam. Waivers are accepted though the dates of the scheduled performance test.

APPLICATION FEE: A filing fee of \$12.50 is required for each separate examination for which you apply. The required fee must accompany your application. Your check or money order must be made payable to the Clinton County Treasurer and have the examination number(s) on it. **WE WILL NOT ACCEPT CASH.** Since no refunds will be made, you are urged to compare your qualifications carefully with the Minimum Qualifications and Residency Requirements for each exam and file only for those for which you are clearly qualified. The application fee will not be refunded upon failure to qualify for the exam. If you do qualify to take the exam, but fail to participate in the exam, the filing fee will not be refunded.

Individuals receiving public assistance (Medicaid, Home Relief or Aide to Dependent Children) from a State or local Social Services Agency or Supplemental Social Security (SSI) payments can request waiver of the application fee. Attach written verification of eligibility from the agency from which you receive assistance to your application(s). This verification must include the name of the agency from which you are receiving public assistance or SSI, the type of assistance being received and the case number you have been assigned. The verification must also include effective dates of assistance or SSI payments and be signed and dated by the proper authority.

If requesting a fee waiver as unemployed and primarily responsible for the support of a household, you must submit a signed written statement indicating that you are the primary support of a household which includes the name and address of the last place of employment; date employment ended; names, relationship and income of others within the household; and whether or not unemployment insurance is being received. An updated verification must be submitted with each application. Such waiver is subject to verification and if not supported by appropriate documentation, are grounds for requiring submission of the \$12.50 application fee.

If you submit a personal check for payment of the application fee, and the check is returned by the bank prior to the date of examination, you may not be admitted to the examination. Should your check fail to clear the bank prior to the examination date and be returned for insufficient funds after you have sat for the examination, you may not receive a score.

MULTIPLE EXAMINATIONS SCHEDULED FOR THE SAME DAY:

If you have applied for any other civil service examination to be given on the same test date for employment with New York State or other local government jurisdictions, excluding New York City, arrangements must be made to take all the examinations at one test site.

Be sure to check "Yes" in the Conflicting Exams Section on the first page of your application and include in the "Remarks" Section on page four the titles of the exams you are scheduled to take and whether they are offered by another Local agency or the State.

If you are taking two Local exams, indicate in which county you want to take the exams. If you are taking a Local and a State exam, you must take the exams at the State site.

You must call our office at 565-4676 no later than two weeks prior to the examination date to confirm that arrangements have been made for you to take all the examinations at one test site.
