(Located across from the landfill on Sand Rd. in Morrisonville)

This event is open to Clinton County residents ONLY!

NO BUSINESSES

HOUSEHOLD HAZARDOUS WASTE

Leftover household products that contain corrosive, toxic, ignitable, or reactive ingredients are considered to be "household hazardous waste" or "HHW."

These products contain potentially hazardous ingredients and require special care when you dispose of them.

In order to shorten the waiting time at the event, please fill out the following disclaimer and bring it with you.

Liability Disclaimer

I hereby attest that the household hazardous wastes I am transporting to this event for disposal are generated by a household in compliance with the following definition:

371.1(e)(2): household-including single and multiple residences, hotels and motels, bunkhouse, ranger stations, crew quarters, campgrounds, picnic grounds and day-use recreation areas.
