AIRPORT SECURITY COORDINATOR

DISTINGUISHING FEATURES OF THE CLASS: This is a managerial position involving responsibility for coordinating and administering the security operations at the airport with other law enforcement agencies for the safety and protection of passengers and personnel. This position is responsible for reviewing and updating the Airport Security Plan to maintain compliance with Transportation Security Agency (TSA) and Federal Aviation Administration (FAA). This position oversees and coordinates the enforcement of federal, state, and local laws, rules, and regulations pertaining to security by providing inspections of County owned airport facilities to detect security hazards, to detect security maintenance problems and equipment failure, and to verify proper security protocols are being followed. An employee in this class is not a peace officer nor is law enforcement a responsibility of this position. The incumbent works under the direction of the Airport Director or designee with wide leeway allowed for the exercise of independent judgment in carrying out the details of the position. Supervision is exercised over all assigned subordinate security personnel. The incumbent does related work as required.

TYPICAL WORK ACTIVITIES: (Illustrative only)

- Coordinates safety and security responsibilities at the airport with federal, state, and local agencies in the enforcement of laws, rules, and regulations;
- Conducts regular safety and security inspections throughout the Airport Security Identification Display Area (SIDA) and routinely inspects door locks, signage alarm devices, camera monitoring system, and vehicle inspections including ensuring proper IDs for contractors, visitors, FEDEX, UPS, FBO, etc.;
- Conducts regular safety inspections of airport property to include perimeter fence, runway, taxiways, tenant and concessionaire leased areas, public areas of roadways, parking lots, and grounds;
- Compiles application packages for individuals requesting airport access beyond general public access which may include background investigations, threat assessment, photo, fingerprint card, SIDA training, and actual issuance of access badges;
- Reviews and updates Airport Security Plan (ASP) to maintain compliance with TSA regulations;
- Acts as a liaison between Airport security and TSA including responding to inquiries or allegations of regulatory violations;
- Periodically reviews closed circuit TV to ensure proper adherence to ASP and responds to alarms as needed, which may require providing TSA access and copies of particular recorded data as well as occasional monitoring via mobile network;
- Ensures that required documentation is kept in personnel files including application, rap sheet, copy of drivers license, social security card, passport, birth certificate, naturalization form, I-9 form, etc. for TSA security clearances;
- Investigates, documents, and reports violations, complaints, and incidences as per TSA regulation;
- Attends training as needed to maintain the highest standard of security proficiency for a category III Airport;
- Supervises and schedules security personnel according to the needs of the Airport Security mission;
- Conducts monthly security and Law Enforcement meetings to discuss related issues and concerns;
- Reviews Federal No Fly List on a daily basis to verify absence of those individuals with access badges;
- Is a member of the Airport incident response team and, as such, responds to airport incidents as directed and required;
- May file NOTAMS for airfield, as necessary.
