NARRATIVE: On June 21, 2018, Clinton County Sheriff's deputies executed a search warrant at a residence in the Town of Plattsburgh. The search warrant was issued by the Town of Plattsburgh Court, following an investigation conducted by uniform patrol members working in conjunction with members assigned to narcotics cases. The Clinton County Sheriff's Office SRT (Special Response Team) made entry into the residence and secured it prior to the search. Once inside the residence, deputies located and seized approximately 8 and a half pounds of marihuana, with 7 and a half pounds of it being in the form of "SHATTER" and "Marihuana Wax", a highly concentrated form of marihuana. Also seized was approximately \$7,000 in cash and marihuana processing and packaging equipment.

DISPOSITION: Sheriff Deputies arrested Dylan Hackett and charged him with Criminal Possession of Marihuana in the 2nd degree, a D felony. Hackett was arraigned in the Town of Plattsburgh Court and remanded to the Clinton County Correctional Facility in lieu of \$ 2,500 cash bail or \$5,000 bond. It is believed that this is the largest concentrated cannabis seizure in Clinton County history. Marihuana Wax or "SHATTER" commonly sells for \$40 a gram on the street, making the street value of the evidence seized worth approximately \$140,000.
