Impaired driving is completely preventable. All it takes is a little planning. If you're hosting a Super Bowl party, designate a responsible driver before the game begins. We want fans to remember that it's a choice. So root for your favorite team; enjoy your friends and family and remember "DON'T DRIVE, GET A RIDE!"

The STOP-DWI Super Bowl Weekend Crackdown is one of many statewide enforcement initiatives promoted by the New York State STOP-DWI Association with additional funding from the STOP-DWI Foundation courtesy of the Governor's Traffic Safety Committee. The Statewide STOP-DWI Crackdown Campaign also targets St. Patrick's Day, Memorial Day, 4<sup>th</sup> of July and Labor Day Weekend, Halloween and the national Holiday Season in December.

Highly visible, highly publicized efforts like the STOP-DWI Crackdown Campaign aim to further reduce the incidence of drunk and impaired driving.
