**Clinton County to Participate in Statewide STOP-DWI Super Bowl Weekend
Crackdown Enforcement Effort**

Impaired Driving Crackdown runs February 1st – February 4th, 2019.

Clinton County STOP DWI announced today that Clinton County police agencies will participate in a special enforcement effort to crackdown on impaired driving.

The statewide STOP-DWI Crackdown efforts start on February 1st and will end on February 4th, 2019. The Super Bowl is America's most watched national sporting event and Super Bowl Weekend is historically a deadly period for impaired driving.

Research shows that high-visibility enforcement can reduce impaired driving fatalities by as much as 20 percent. Sobriety checkpoints play a key part in raising awareness about the problem. New York State Police, County Sheriffs and municipal law enforcement agencies will collaborate across the state and will be out in force in this coordinated effort to reduce the number of alcohol related injuries and deaths.

If you're hosting a Super Bowl party, designate a responsible driver before the game begins. We want fans to remember that it's a choice. So root for your favorite team; enjoy your friends and family and remember "DON'T DRIVE, GET A RIDE!"

The Statewide STOP-DWI Crackdown Campaign also targets St. Patrick's Day, Memorial Day, 4th of July and Labor Day Weekend, Halloween and the national Holiday Season in December.

Highly visible, highly publicized efforts like the STOP-DWI Crackdown Campaign aim to further reduce the incidence of drunk and impaired driving. This is Deputy Russell Haag with the Clinton County Sheriff's Office asking you to have a sober plan.

Don't drive. Get a ride
Have a SOBER Plan!
